Thirty-Fourth Year.

SUPPLEMENTAL RECONSTRUCTION BILL Agreement of the two Houses.

Agriculture, authorized by the late set of Congress, will be erected in the centre of reservation No. 2, occupying the space between the Smithsonian Institute and Washington Monument grounds. The site is imposing, high and dry, commanding a view of the city and the Potomae river. The extreme dimensions of the building will be 172x87 feet. The style of architecture is modern, and adapted to the present wants, without reference to outlived forms of tradition; and the plans have been propared under instructions from the Commissioner of Agriculture.

The Democratic Congressmen are said to have resolved to protest against the appointment of any more Republicans to office by the President.

Some Southern loyalists called on Chief Justice Chase on Monday, and urged him to appoint ex-Governor Hamilton, of Texas, Register, under the Bankrupt Law, at Now Orleans.

In the Dead Letter Bureau there have been six hundred thousand letters destroyed in the last year, in which were returned to tween the Smithsonian Institute and Wash-

the last year, in which were enclosed to 00,000 in drafts, which were returned to
